

CARY CART COMPANY

Warranty Coverage Items for 90 Days Warranty

Item	Sub-Items	Coverage
Vehicle Mainframe	Not applicable	Limited Lifetime
Suspension	Steering gear box, steering column, shocks and leaf springs	90 Days
Electric Powertrain	Electric motor, transaxle and MCOR	90 Days
Major Electronics	Solid state speed controller, battery charger and wiring harness	90 Days
Pedal Group	Pedal group assembly, brake clusters and brake cables	90 Days
Seats	Seat bottom, backs and armrest	No Coverage
Body Group	Beauty panels front/rear and canopy	No Coverage
All Remaining Electrical Components	Solenoid, limit switches, voltage reducer F&R switch	90 Days
All Remaining Components	Other options that are added to the cart by Cary Cart Company	No Coverage

EXCLUSIONS

Excluded from any Cary Cart Company warranty is damage to a vehicle or component resulting from a cause other than a defect including poor maintenance, neglect, abuse, accident and collision, maintenance adjustments, unreasonable or unintended strain or use, improper installation of accessories, installation of parts or accessories that are not original equipment including Club Car approved or non-approved GPS systems, non-approved alteration, and acts of God. Also excluded from any warranty are all fuses, filters, decals (except safety decals), lubricants, routine wear items such as engine mounts, bed floor lining, mats, pads, spark plugs, light bulbs, brake pads, belts, brushes, solenoids, bushings, drive buttons, cosmetic deterioration, and items that deteriorate, fade or fail due to exposure or ordinary wear and tear.

CARY CART COMPANY

The provisions of this limited warranty shall not apply to failure due to the following conditions:

- **Batteries**

- Improper charging of a vehicle due to the use of a battery charger model not approved by Club Car for use with the vehicle.
 - Use of water in batteries, including tap water, that contains impurities. Distilled water or a properly maintained, Club Car approved battery water deionizer and filter system must be used to ensure water quality.
 - Abuse such as overcharging, undercharging, improper fluid levels, loose wiring and fasteners, or rusted or corroded hardware.
 - Use of energy management systems that do not allow a minimum of 12 hours of charge time to assure proper charging.
 - Use of any accessories that do not draw power off the complete system voltage.
 - Neglect, breakage, freezing, fire, explosion, wreckage, melted terminal posts, the addition of any chemical, or the operation of the battery in an uncharged condition (below half charge 1.200 specific gravity); the installation of the batteries in reverse or recharging in reverse, breakage of containers, covers, or terminal post, or batteries used in applications for which they were not designed.
 - A battery damaged by a defective charger or batteries in vehicles that do not receive proper charging.
 - A vehicle not having an operational charger on a circuit that has the parameters specified in the vehicle operator's manual (the number of operational chargers must equal the number of operational vehicles), or use of an unapproved algorithm.
- Lack of proper maintenance such as preventive maintenance checks, proper rotation of vehicles in a fleet application, maintaining proper tire pressure and alignment and tightening loose wire connections as outlined in the operator's manual.
 - Damages caused by improper installation of the component.
 - Failed semiconductor parts such as diodes and fuses that are vulnerable to electrical overloads (including lightning) beyond the control of Cary Cart Company.
 - Damaged charger AC and DC cord set with plug, which is a wear item and subject to user abuse.

Without limiting the generality of the foregoing in any way, and as part of its limited warranty exclusion, Cary Cart Company does not warrant that its vehicle or components such as batteries, computer, controller or electrical device are suitable for use in any application other than in its products. As in the use of any vehicle, batteries, computer, controller or electrical device, a prudent owner will read and study the operator's manual, the operator instructions and the warning labels; and will exercise due care in working on

CARY CART COMPANY

or around vehicles, batteries or electrical devices. Transportation and labor expenses for warranty services are also excluded from this warranty.

Chargers, Batteries, Motors and Controllers will be sent off for evaluation by manufacturer to determine cause of failure

This warranty does not cover transportation cost associated with getting the cart to one of Cary Cart Companies locations

This warranty does not cover labor cost associated with getting the cart repaired at one of Cary Cart Companies locations

VOIDING OF WARRANTY

This and any other warranty shall be void if the vehicle or component is damaged, involved in an accident, abused or used in an unintended manner or shows indications that it has been altered in any way, including, but not limited to, modification of the speed governor, braking system, steering, transaxle, or other operating systems of the car to cause it to perform outside Club Car specifications. The warranty is likewise void if the vehicle shows indications that reasonable or necessary maintenance as outlined in the operator's manual and maintenance and service manual was not performed at the time and in the manner specified in such manuals.
